Every line in a newspaper costs something. It is for the benefit of an individual who should be paid for. If the grocer were asked to contribute groceries to one abundantly able to pay for them he would refuse. The proprietor of a newspaper must pay for the free advertising if the beneficiary does not, and yet it is one of the hardest things to be learned by many that a newspaper has space in its columns to rent and must rent it to give it away without a cent.

They will be accompanied by small charts showing in color the opening and closing seasons, while two thousand larger charts are being printed for use in public places. If other's superior that woman's the one. For woman could overcome Adam poor elf that overcomes woman took Satan himself.

"Now gentlemen of the fire company, the time is present you with the trumpet show their confidence in you as well as their sympathy in your noble self-asserting work. I doubt not but that the consideration of this noble of office comes from the ladies will be an additional incentive to your labors of love. Gentlemen here is your trumpet from the ladies of Hopewell."

Dr. John A. Miller responded in an appropriate manner after which was read through the streets drawn by four horses.

The present officers of the company are: President, Dr. J. A. Miller; vice-president, E. D. Wood; secretary, John M. Dalrymple; treasurer, J. M. Dalrymple; assistant secretary, John M. Dalrymple; assistant treasurer, John M. Dalrymple.

Ladies and Gentlemen: I have been called upon by your committee to relate some things that happened 31 years ago on this the thirty-first anniversary of the organization of the Hopewell Hook and Ladder Company.

On account of the wet grounds the opening game scheduled with the Kensington Club of Trenton on the H. A. C. field on Saturday was cancelled.

A picked team again opposed the regulars and failed to score, being shut out 12 to 0. The grounds were almost mud.

Saturday's contest with the Bloomsdale Club will be the opening one. This is a fast team and all who witness the game will be well pleased. Hostilities will commence at 10 o'clock.

The management has fixed the admission to the grounds at 15c and 10c for the grandstand on all holidays and games with Pennington and Flemington. Other games will be ten and ten.

The Bloomsdale team, which comes here Saturday, is managed by a son of Landreth, the seed man, who is a player of considerable ability and has the faculty of imbuing the spirit into his teammates.

A number of new faces will be seen in the lineup on Saturday from that of last year, but they are all young local players and should arouse some enthusiasm among the die-hard fans.
