

**BOARD OF FIRE COMMISSIONERS  
HOPEWELL BOROUGH DISTRICT NO. 1**

**RESOLUTION # 2023-34**

**ANNUAL TESTING AUTHORIZATION**

**Whereas**, the hose, ground ladders, fire pumps and aerial ladder are regularly tested by an accredited vendor to comply with law and/or recognized industry recommendations and standards and to provide a reasonable level of safety for users and a reasonable degree of assurance that the equipment will perform as designed; and

**Whereas**, three competitive quotes to perform the aforementioned testing have been obtained from accredited vendors, of which provided quotes for all the services required; and

**Whereas**, the Chief Financial Officer has certified that there are sufficient unencumbered funds available to pay for the testing.

**Now, therefore be it resolved** by the Board of Fire Commissioners of Hopewell Borough Fire District No. 1 that authorization is given for the regular testing of hose, ground ladders, and pumps to be performed by Waterway, pursuant to lowest responsive quote, at a base cost of \$3,751.25, plus the minimal cost of heat sensor(s) if replaced, chargeable to the 2023 Maintenance and Repairs appropriation; and it is

**Further resolved** that the chairman of the board or the fire chief is authorized to execute a contract with the vendor for the services to be provided.
